Dear Ms. Best:

This is a final response to your 8 November 2018 Freedom of Information Act (FOIA) request for the following records: **materials mentioning or responding to the "extreme hazard to United States interests" described in LOC-HAK-535-21-2-2, which is a November 1975 State Department cable identified as 0 101121Z NOV 75 and as 05715 101218Z. The extreme hazard appears to have been the pending exposure of Lockheed bribes.**

We believe your request as written would more likely fall under the auspices of Department of State. There is no central office in the government that processes requests for all federal agencies. Each agency responds to requests for its own records. Therefore, we believe you should submit your FOIA request to the Department of State at the following address:

Director, Office of Information Programs and Services  
Building SA-2  
515 22nd Street, NW  
Washington, DC 20522-8100
